# THE BOUGIE

This series comes in several different models depending on the number of light bulbs. The light is designed with a candelabra based bulb covered in spherical glass with a choice of Aged Gold Brass or a Chrome finish. All sizes of this series are available with Clear or Opal glass. Both finishes are completed with a black fabric cord. You can hang these fixtures with different lengths of cord depending on the look you are going for. The ring that keeps the cords tight can also be removed if so desired.

# TORINO

The *Torino* pendants take elegance and simplicity and blends them perfectly. The combination of Matte Black and Aged Gold Brass or Brushed Nickel metal meeting in the middle with Opal glass or Clear glass makes a powerful statement in any room. Two sized globes are available in both finishes, use them individually or hang multiple pendants grouped together for a masterpiece.

## NAGASHI

This fixture earned its names from its resemblance of a Japanese folklore item *Toro Nagashi*; The pendant/flush mount is designed with the intent to be clean and simple. The framework comes in two different finishes; Dark Grey and Chrome. The fabric shade is a White colour with a White acrylic diffuser. Whether it be a nostalgic or a modern home design, *Nagashi's* simple design allows it to fit.

## THE ORIGAMI

The body design resembles the Japanese traditional paper craft, Origami. The metal lampshade itself consists of 2-dimensional geometric shapes folded together like a fan. The geometric shapes used includes a number of different triangles, which creates a look of a 3D visual effect. This fixture is available in two sizes and comes with Brushed Gold accents, a white fabric cord and a white canopy.
